In this box you will write a summary of your movie. #3 on your directions worksheet explains what to include inside this write up. (My write up is about a war that I made up )

In this action packed thriller, we will go through the journey of the Armstrong's beating the Kirk's in the great Green War. The war between Armstrong and Kirk began when Bobby, an Armstrongian, entered Kirk territory without permission. This started a large feud between the two countries that lasted for nearly three years. One of the most dramatic battles was The Fight for the Smartboard. It took place on the border of room 233 and 234. It was a messy fight. The Armstrongian's fought hard, and were victorious. The Kirkys retreated all the way back to room 235 to get out of Armstrongians path of destruction.

After that battle, the Kirkys regrouped and combined forces with the Bakers and marched back over the border and defeated the Armstrongians on their home turf. A peace treaty was drawn up that gave the Kirkys the right to use the smartboard whenever she needs to.
